Dear DAVID M DAUGHERTY :

Thank you for your interest in our DISNEY Visa Platinum credit card. Your application was given thoughtful consideration by CHASE BANK USA, N.A.. After reviewing the information provided in your application and your credit report, we regret that we are unable to approve your request at this time. Our decision was based on the following specific reason(s):

You have a foreclosure, repossession, or early lease termination  
Balances on accounts are too high compared to credit limits  
Your credit report reflects delinquent past/present credit obligations

In evaluating your application, the consumer reporting agency below provided us with information that in whole or in part influenced our decision. Please note that the reporting agency did not make the decision and is unable to provide the specific reasons for our decision. Details about your right to know the information in your credit report are provided at the end of this letter.

**Information about your credit score**

We also used your credit score in making our decision. Your credit score is a number that reflects information in your credit report, such as whether you pay your bills on time and how much you owe to creditors. As this information about you changes, your credit score also changes.

Scoring system name: Card Acquisition Risk Score  
Source: Chase Bank USA, N.A.  
Date calculated: 05/07/2014  
Your credit score: 561

Scores calculated using this source can range from a low of 250 to a high of 900 (higher scores are better).

If corrections are made to your credit report, we will be happy to evaluate another credit application for you in the future. At that time, we will conduct a new review of your application and credit report.
